

At Work

Get to know your EAP therapists

Available for UF Faculty and Staff

Three on-campus therapists are available for in-person and telehealth appointments through the University of Florida's Employee Assistance Program (EAP). UF faculty, staff, graduate assistants, non-student OPS employees, housestaff / residents, and post-doc associates as well as their spouses or domestic partners are eligible for EAP services. Appointments can be scheduled via the EAP website or by calling (352) 273-1765.

Massiel Snow, Psy.D.

Licensed Psychologist

Dr. Snow has worked with diverse populations across the lifespan in various psychological and educational settings. Her areas of interest include postpartum depression/anxiety, the grief process, coping with lifespan developmental changes, clinical burnout and related distress, and sleep hygiene issues.

Devin Shorey, M.Ed., Ed.S., LMHC, LMFT

Licensed Mental Health Counselor

Devin has worked in community mental health centers and educational settings, assisting with various mental health and relationship concerns. His areas of interest include depression, anxiety, relationship issues, co-dependency, communication skills, bipolar disorder, grief, PTSD and ADHD.

Allison Rider, MA

Registered Mental Health Counselor Intern

Allison has worked in community counseling and private practice with a wide range of adults facing various mental health concerns. Her areas of interest include depression, anxiety, stress management, relationship issues, the grief process, life transitions, trauma, and self-esteem.
